REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: On further review of applicants' arguments with evidence filed December 3, 2003, November 17, 2003 and September 3, 2003, the paragraph added in column 8, between lines 42 and 43 is not a new matter because the disclosure ultraviolet light and infrared light at column 9, lines 28-31 include entire range of ultraviolet light wave length and of infra-red light wave length. Based on applicants' arguments, the addition of word "from" after the word "typically" in column 8, line 28 is not a new matter and is considered an error made during translation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
